**AMENDED CORRECTED SETTLEMENT AGREEMENT AND RELEASE  
OF CLAIMS**

The Corrected Settlement Agreement and Release of Claims (the “CSA” or “Agreement”) was entered into between the City of Los Angeles (the “City”), a municipal corporation, and Independent Living Center of Southern California (“ILCSC”), Fair Housing Council of the San Fernando Valley (“FHC”), and Communities Actively Living Independent and Free (“CALIF”) (collectively referred to herein as “Plaintiffs”). The City and the Plaintiffs are referred to herein collectively as “the Parties.” The CSA was adopted and entered as the Judgment of this Court on December 13, 2017. The Parties enter into this Amended CSA (“Amended Agreement”) to reflect the Parties’ modifications to the CSA with the concurrence of the Monitor and to incorporate the substance of this Court’s orders since entry of the CSA.

**I. RECITALS**

This Amended Agreement is made and entered into with reference to the following facts:

1. On January 13, 2012, Plaintiffs commenced litigation against the City and CRA/LA, A Designated Local Authority, Successor to Community Redevelopment Agency of the City of Los Angeles (“CRA/LA”) known as *Independent Living Center of Southern California, et al. v. City of Los Angeles, et al.*, filed on January 13, 2012, in the U.S. District Court for the Central District of California, Case No. 2:12-cv-00551-FMO-PJW (the “Litigation”). The Litigation concerns multifamily apartment buildings that received or will receive any Federal financial assistance from the City after July 11, 1988, and/or (2) was or will be designed, constructed, altered, operated, administered, or financed, in whole or in part, in connection with a program administered in whole or in part by the City since January 26, 1992. Plaintiffs also joined, for Rule 19 purposes, a total of 61 owners of multifamily properties that had been assisted by the City or CRA

1 (“Owner Defendants”). The CRA/LA and Owner Defendants are not Parties to this  
2 Agreement.

3       **2.** On August 20, 2012, the Plaintiffs filed a Second Amended  
4 Complaint (“SAC”), which remains the operative complaint in this proceeding.  
5 The SAC alleges that the City and CRA/LA engaged in a pattern or practice of  
6 discrimination against people with disabilities—in violation of Section 504 of the  
7 Rehabilitation Act of 1973 (“Section 504”), 29 U.S.C. § 794; Title II of the  
8 Americans with Disabilities Act (“ADA”), 42 U.S.C. § 12132; and California  
9 Government Code Section 11135, et seq. (“Section 11135”)—by failing to ensure  
10 that multifamily housing funded, developed, or significantly assisted by the City or  
11 CRA is accessible and made meaningfully available to people with disabilities.  
12 The SAC names the City as a defendant in its own capacity and in its capacity as  
13 the successor housing agency under the Redevelopment Dissolution Law,  
14 following dissolution of the former Community Redevelopment Agency of the  
15 City of Los Angeles, as further described in the SAC, Paragraph 35 *et seq.*

16       **3.** On November 29, 2012, the Hon. S. James Otero denied the City’s  
17 and CRA/LA’s motion to dismiss with respect to Plaintiffs’ claims under Section  
18 504, the ADA and Section 11135.

19       **4.** Plaintiffs sought by this Litigation to ensure that multifamily housing  
20 developments in Los Angeles built at least in part with public funds or in  
21 connection with City programs are made accessible and meaningfully available to  
22 people with disabilities. They also sought to ensure that the City and CRA/LA  
23 comply with their own program access and other obligations to people with  
24 disabilities with respect to the operation of multifamily housing programs as they  
25 relate to people with disabilities, in accordance with the requirements of Section  
26 504, the ADA, and Section 11135.

27       **5.** The City represents that Revised Exhibit A to this Amended  
28 Agreement is a full and complete listing of (1) all of the Housing Developments

1 that received any Federal financial assistance from the City since July 11, 1988,  
2 plus (2) all of the Housing Developments that were designed, constructed, altered,  
3 operated, administered, or financed, in whole or in part, in connection with a  
4 program administered in whole or in part by the City since January 26, 1992, with  
5 the exception of Housing Developments listed in Exhibit B to this Amended  
6 Agreement. No later than April 15, 2022, the City shall submit to the U.S.  
7 Department of Housing and Urban Development (“HUD”) the list of removed  
8 federally funded properties including those removed because of the expiration of  
9 covenants for HUD’s review and recommendation as to whether any of the  
10 removed properties should be restored to the Revised Exhibit A. Thereafter the  
11 Parties and the Monitor will meet and confer on the question of which properties if  
12 any should be restored to Revised Exhibit A. The City further represents that to the  
13 best of its knowledge and having used reasonable diligence there are no other  
14 omissions from the listing. The City will promptly advise Plaintiffs and the  
15 Monitor and supplement the listing with new and substantially rehabilitated  
16 Housing Developments as they are identified by the City, and with existing  
17 Housing Developments if it learns at any time that any Housing Development that  
18 should have been on the listing was excluded. The Parties and the Monitor shall  
19 provide periodic updates to Revised Exhibit A and such changes shall be  
20 incorporated by reference into this Amended Agreement.

21 **6.** Exhibit B to this Amended Agreement is a list of 22 Housing  
22 Developments that received Federal funds through the City and the CRA since July  
23 11, 1988, and in which the City and former Community Redevelopment Agency of  
24 the City of Los Angeles entered into Cooperation Agreements or other agreements  
25 prior to June 28, 2011, which explicitly required the former Community  
26 Redevelopment Agency to fulfill outstanding obligations imposed by the U.S.  
27 Department of Housing and Urban Development in connection with the funds,  
28 including compliance with Section 504 of the Rehabilitation Act. The Housing

1 Developments in Exhibit B are not covered by the accessibility and remediation  
2 provisions at Paragraphs III.10.(a) through III.10.(j) of this Amended Agreement.

3       **7.** The City denies that it violated Section 504, the ADA, or Section  
4 11135 or that it committed any discrimination. The City enters into this Amended  
5 Agreement for settlement purposes only. The entry of the attached Final Judgment,  
6 the terms of this Amended Agreement, and actions taken pursuant to those  
7 documents shall not be construed as an admission by the City of any fault or  
8 wrongdoing, or as an admission of the validity of any claims made by the  
9 Plaintiffs. This Amended Agreement shall not be treated as an admission of  
10 liability or wrongdoing by any party for any purpose and shall not be used by any  
11 party in any future proceeding, in any venue whatsoever, either within the City or  
12 otherwise, on the issue of liability, knowledge, or past practice and custom.

13       **8.** During the pendency of the Litigation, Plaintiffs and the City  
14 undertook extensive discovery and engaged in extensive discussions regarding a  
15 potential resolution and settlement of the Plaintiffs' claims in the Litigation,  
16 including in mediation before private mediators. As a result of such discussions,  
17 the Parties wish to effect a complete resolution and settlement of the claims,  
18 disputes, and controversies relating to the Plaintiffs' allegations in the Litigation,  
19 and to resolve their differences by settling such claims, disputes, and controversies  
20 under the terms set forth in this Amended Agreement.

21       **9.** The Parties intend this Amended Agreement to bind and apply to the  
22 City and Plaintiffs. Entry of Judgment pursuant to this Amended Agreement shall  
23 extinguish all Released Claims (as defined below) and constitute final and  
24 complete resolution of all issues addressed herein.

25       **10.** The goal of the Amended Agreement is to significantly enhance the  
26 accessibility of multifamily housing in Los Angeles, the availability of fair and  
27 accessible housing for individuals with a variety of disabilities, including mobility,  
28 visual and hearing disabilities, and the accessibility of the City's housing

1 programs.

2       **11.** On August 2, 2019, the City and HUD entered into a Voluntary  
3 Compliance Agreement (“VCA”) to resolve HUD’s administrative findings  
4 consistent with Plaintiffs’ similar allegations about Covered Housing  
5 Developments. The City’s obligations under this Amended Agreement are  
6 independent of the requirements of the VCA, but the Parties have agreed to  
7 implement this Amended Agreement in a fashion that seeks to harmonize the  
8 requirements of both whenever feasible and agreed to by the Parties.

9       **12.** In response to a Motion to Enforce filed by ILCSC and CALIF and at  
10 the request of the Monitor, the Court held a hearing on December 12, 2019, and  
11 issued its Order Re: Further Proceedings on December 19, 2019. ECF No. 663.  
12 That Order required the Parties and the Monitor to meet and confer to discuss, at a  
13 minimum: deadlines; certification of accessible housing units; accessibility surveys  
14 and the performance of the City’s then architectural expert; policy implementation,  
15 including how and when audits will be performed, the development of a  
16 comprehensive database, and the development of a needs assessment and staffing  
17 plan necessary to implement the CSA; training and monitoring; record-keeping and  
18 reporting, including the comprehensive database; the enhanced sensory program;  
19 the role of the Monitor; attorneys’ fees and costs; and monetary sanctions, all for  
20 the purpose of “assist[ing] the court in preparing an Amended Consent Decree.” *Id.*  
21 at 1. The Court also indicated that it would issue an Amended Consent Decree  
22 following the required status report. *Id.* at 4. The Monitor submitted a Status  
23 Conference Report on January 28, 2020, ECF No. 671, incorporating the Parties’  
24 positions. The Parties further respond to the Court’s Order Re: Further Proceedings  
25 by entering into this Amended Agreement, which has been endorsed by the  
26 Monitor.

27       **13.** On October 30, 2020, the Court issued an Order ruling that: “This  
28 Settlement Agreement may only be modified or amended in writing, signed by all

parties, that specifically states that its purpose is to amend or modify this Settlement Agreement.” Order, dated October 30, 2020, ECF No. 688 at 5. The purpose of this Amended Agreement is to amend or modify the CSA.

4 **III. SCOPE AND TERMS OF THE AMENDED AGREEMENT**

5 NOW, THEREFORE, for good and valuable consideration, the sufficiency and  
6 receipt of which is hereby acknowledged, the Parties stipulate, and intend that the  
7 District Court will make the following findings as part of the Final Judgment:

8 **1. Recitals.** The recitals set forth above are incorporated by reference in  
9 this Section and made a part of this Amended Agreement.

10 **2. Jurisdiction.** The Court has personal jurisdiction over Plaintiffs and  
11 the City for purposes of this Action and jurisdiction over this Action pursuant to 28  
12 U.S.C. §§ 1331 and 1367, and 28 U.S.C. §§ 2201 and 2202. Relief may be granted  
13 pursuant to 29 U.S.C. § 794a and 42 U.S.C. § 12132 et seq. Venue is proper in this  
14 District.

15 **3. Binding Effect.** The provisions of this Amended Agreement shall be  
16 binding upon the Parties and shall become effective on the Amended Agreement  
17 Effective Date.

18 **4. Purpose of Settlement.** To avoid the cost, expense, and uncertainty  
19 of protracted litigation, the City and Plaintiffs enter into this Amended Agreement,  
20 which shall be binding upon the City and Plaintiffs and extinguish all Released  
21 Claims and shall constitute the final and compete resolution of all issues addressed  
22 herein. Pursuant to the terms of this Amended Agreement, the City will undertake  
23 the actions described below for the purpose of ensuring that City-assisted housing  
24 programs, services, and activities are in compliance with the accessibility  
25 requirements of Section 504, the ADA, and Section 11135.

26 **5. Approval by the District Court.** The Parties intend that this  
27 Amended Agreement be approved by the District Court, and that the District Court  
28 retain jurisdiction for the Term of this Amended Agreement to resolve any dispute

1 regarding compliance with the Amended Agreement that cannot be resolved  
2 through the process described in Section VII, below. Furthermore, upon such  
3 approval, the District Court shall enter the Judgment under Rule 54(b) of the  
4 Federal Rules of Civil Procedure (substantially in the form attached to this  
5 Agreement as Exhibit D.)

6 **6. Continuing Jurisdiction.** The District Court shall have continuing  
7 jurisdiction over this Amended Agreement throughout the Settlement Term.  
8 Nothing in this Paragraph shall bar any Party from moving for an extension of the  
9 Amended Agreement to enforce any obligations herein.

10 **7. City's Commitment to Provide Affordable, Accessible Housing.**  
11 The City shall take the actions set forth in this Amended Agreement to provide  
12 accessibility for persons with disabilities in its housing-related programs. Among  
13 other things, the City shall ensure over the Settlement Term the production of the  
14 Target Number of Accessible Units by means of inspecting Existing Housing  
15 Developments to determine compliance with this Amended Agreement, causing, to  
16 the extent possible, Subrecipients and Owners to carry out construction to remedy  
17 non-compliance with requirements set out in this Amended Agreement, and taking  
18 all other actions necessary to provide for Four Thousand (4,000) Accessible  
19 Housing Units in Accessible Housing Developments as required by this Amended  
20 Agreement by no later than ten years after the Effective Date. The failure of the  
21 City to secure the cooperation of any Subrecipient or Owner with efforts to remedy  
22 non-compliance with requirements set out in this Amended Agreement shall not  
23 excuse the City's obligation to achieve the Target Number of Accessible Units. To  
24 accomplish the activities in this Amended Agreement, the City shall carry out a  
25 program with a value that averages a minimum of \$20 million per year over the  
26 Settlement Term, which amount may be adjusted by mutual agreement of the  
27 Parties upon completion of the Target Number of Accessible Units. Completion of  
28 the Target Number of Accessible Units shall not relieve the City of the obligation

1 to comply with other provisions of the Amended Agreement. The City shall also  
2 take the actions set forth in this Amended Agreement and such other actions as  
3 may be necessary to ensure that the City, Subrecipients, and Owners comply with  
4 the obligation to operate housing programs and Housing Developments in  
5 accordance with Federal and California law and comply with the other obligations  
6 set forth in this Amended Agreement.

7 **8. City's Compliance.** The City shall comply with the requirements of  
8 Section 504, the ADA, Section 11135, and other applicable nondiscrimination laws  
9 with respect to all aspects of its own housing-related programs, services, and  
10 activities, including administration and financing.

11 **9. Reporting of Activities to Ensure Compliance.** Pursuant to its  
12 reporting obligations set out in Paragraphs III.11 - III.13, below, and elsewhere in  
13 this Amended Agreement, the City shall report on the actions it takes to ensure its  
14 own compliance and to require and ensure its Subrecipients' and Owners'  
15 compliance with Section 504, the ADA, Section 11135, and the terms of this  
16 Amended Agreement.

17 **10. Specific Commitments to Achieving Accessibility.** This Amended  
18 Agreement provides for the following:

- 19 (a) **Architectural Accessibility.** The City shall cause Four Thousand  
20 (4,000) Housing Units ("Target Number of Accessible Units") to  
21 come into compliance with the architectural accessibility standards  
22 under Section 504, the ADA, and Section 11135 within ten (10) years  
23 of the Effective Date. At least Two Thousand Six Hundred and Fifty-  
24 Five (2,655) of such units must be Housing Units with Mobility  
25 Features. In order to count a Housing Unit toward the Target Number  
26 of Accessible Units, the City must provide a Certification of  
27 Compliance with Accessibility Standards to the Monitor that the  
28 Housing Unit and the Housing Development meet the requirements of

1 Accessibility Standards.

2 (b) **Expert Architect.**

- 3 i. In consultation with the Plaintiffs and the Monitor, the City shall  
4 retain an Expert Architect for the purposes described in Paragraph  
5 III.10(d) below. The Expert Architect shall report jointly to, and  
6 take instruction from, the City and the Monitor, in consultation  
7 with Plaintiffs. In the event of conflicting instructions, the  
8 instructions of the Monitor shall prevail. The Expert Architect will  
9 conduct accessibility surveys and otherwise advise the Parties on  
10 compliance with federal and state accessibility requirements, as set  
11 forth in Paragraph III.10(d), below.
- 12 ii. Any Expert Architect hired by the City to implement Paragraph  
13 III.10(b), above, shall: (1) be an architect; (2) have substantial  
14 experience in evaluating or assisting public entities in evaluating  
15 the accessibility of housing and facilities under Section 504, the  
16 ADA, the Fair Housing Act, and California Building Code; (3) be  
17 knowledgeable in current federal and California accessibility  
18 standards applicable to housing; (4) have a minimum of three (3)  
19 years' experience in providing Section 504 and/or ADA services  
20 related to accessible housing and facilities; and (5) be CASp  
21 certified.

22 (c) **Accessible Housing Unit Plan.**

- 23 i. Pursuant to the CSA, the Parties agreed to an Accessible Housing  
24 Unit Plan ("AHUP") on March 15, 2019. The AHUP identified  
25 methods by which the City will seek to achieve the Target Number  
26 of Accessible Units and provided for geographic distribution of  
27 accessible units throughout the City of Los Angeles, in a range of  
28 unit sizes, and attempted to maximize affordability and access to

1 public transportation and other amenities. Consistent with federal  
2 and California relocation and Reasonable Accommodation and  
3 Reasonable Modification requirements, the AHUP provided that  
4 the City, when appropriate, was required to temporarily relocate, or  
5 require Owners to temporarily relocate, existing tenants occupying  
6 units to be retrofitted, at the Owner's or City's expense, and shall  
7 address potential temporary displacements of tenants.

8 ii. Within six months of the Amended Agreement Effective Date, the  
9 Parties, in consultation with the Expert Architect and approval of  
10 the Monitor, will agree upon a Revised Accessible Housing Unit  
11 Plan ("Revised AHUP") to address circumstances that have  
12 changed since the AHUP was finalized, and which will be  
13 submitted to the Court for incorporation as part of this Amended  
14 Agreement. The Parties and the Monitor will confer should  
15 additional changes to the Revised AHUP be necessary.

16 iii. The Revised AHUP shall require the Parties to meet annually and  
17 establish a minimum number of Accessible Units to be certified  
18 and delivered for that calendar year ("Annual Certification  
19 Requirement") and describe the surveying, new construction,  
20 rehabilitation and retrofitting activities to be undertaken during the  
21 plan year to achieve that objective. For 2022, the Parties shall  
22 establish the Annual Certification Requirement by July 1, 2022.  
23 Thereafter, they shall do so no later than January 1 of the year to  
24 which it applies. Each year's Annual Certification Requirement  
25 shall be submitted to the Court as a revised Exhibit to the  
26 Amended Agreement, and shall be incorporated herein by  
27 reference.

28 (d) **Implementation of Accessible Housing Unit Plan.** The Expert

1 Architect shall assist the City in the following:

- 2 i. Surveying existing, Substantial Rehabilitation, and newly  
3 constructed Housing Developments to identify which elements are  
4 not in compliance with the Accessibility Standards. To this end,  
5 the City shall provide to the Expert Architect those accessibility  
6 survey reports and related documentation previously prepared by  
7 the City's accessibility consultants and other consultants for the  
8 Parties as well as such drawings and plans, including, but not  
9 limited to drawings and plans approved in connection with the  
10 issuance of the building permits, as are available and necessary for  
11 the Expert Architect to conduct required surveys. The City shall  
12 provide, subject to applicable Orders, accessibility survey reports  
13 and related documentation, as well as drawings and plans to the  
14 Expert Architect in electronic form wherever feasible.
- 15 ii. Preparing reports identifying noncompliant elements and measures  
16 necessary to bring them into compliance.
- 17 iii. Utilizing the information gathered to inform the development of  
18 the Revised Accessible Housing Unit Plan.
- 19 iv. Assisting the City in developing protocols, assessment tools,  
20 checklists, and standards for ensuring accessibility and for issuance  
21 of Certifications of Compliance with Accessibility Standards.
- 22 v. Assisting the City to develop internal capacity, including the  
23 capacity of designated staff in LAHD, the City Department on  
24 Disability, and the City Department of Building and Safety to  
25 ensure compliance by Subrecipients and Owners with applicable  
26 accessibility requirements, including the Accessibility Standards.  
27 The City shall take steps to ensure that persons working on behalf  
28 of the City shall not waive, ignore, or otherwise fail to identify

1 noncompliance with Accessibility Standards in Housing  
2 Developments.

3 vi. Developing a quality assurance program that ensures the quality  
4 and consistency of work performed by City staff and agents  
5 pursuant to this Amended Agreement, advising the City of issues  
6 identified through the quality assurance program, and making  
7 recommendations about how to address such performance  
8 problems (*e.g.*, additional training, extra oversight, limiting  
9 functions performed).

10 vii. Providing training to the City staff and agents who will  
11 implement the accessibility provisions of this Amended  
12 Agreement, including training for designated staff for LAHD, the  
13 City Department on Disability, and the City Department of  
14 Building and Safety regarding the interpretation and application of  
15 the Accessibility Standards, conducting and documenting on-site  
16 accessibility surveys, and such other issues as the experts deem  
17 prudent and appropriate.

18 viii. Performing other tasks set forth in the contract between the  
19 Expert Architect and the City.

20 (e) **Flexibility in Meeting Target Number of Accessible Units.** Subject  
21 to the requirements of the Revised AHUP and Section 504, the City  
22 shall have flexibility to meet its annual and overall production  
23 schedules through a combination of new construction, substantial  
24 alteration, remediation of existing housing units, provision of Housing  
25 Units under the Enhanced Sensory Unit Program, or certification that  
26 existing Housing Units meet federal and California accessibility  
27 standards.

28 (f) **Accessibility of Future Housing Developments.** The City shall

1 ensure that Housing Developments that are newly constructed or  
2 substantially altered after April 12, 2016, are designed, constructed,  
3 and maintained in full compliance with the Accessibility Standards in  
4 this Amended Agreement through specialized review of plans and  
5 specifications and on-site compliance inspections throughout the  
6 design and construction process. With respect to any new construction  
7 or substantial alterations for which building permits were issued  
8 between September 5, 2016, and August 2, 2019, the City shall  
9 require developers to construct at least 10% of units to comply with  
10 UFAS requirements for mobility accessibility and an additional 4% of  
11 units to comply with UFAS requirements for sensory accessibility,  
12 and to ensure that they are affordable for households with incomes at  
13 30%, 50%, and 80%, or lower, of area median income. For new  
14 construction or substantial alterations for which building permits were  
15 issued after August 2, 2019, the City shall require developers to  
16 construct at least 11% of units to comply with UFAS requirements for  
17 mobility accessibility and an additional 4% of units to comply with  
18 UFAS requirements for sensory accessibility, and to ensure that they  
19 are affordable for households with incomes at 30%, 50%, and 80%, or  
20 lower, of area median income. The Parties agree that the City may  
21 count toward the Target Number of Accessible Units up to a total of  
22 20% of Housing Units in a single Housing Development that meet  
23 UFAS requirements, provided that no more than 5% of such units be  
24 designated for sensory accessibility.

25 (g) **Accessibility in Existing Buildings to be Remediated.** For purposes  
26 of meeting the Target Number of Accessible Units, the City may  
27 count a remediated unit to the extent the unit and the project's  
28 common areas meet the Accessibility Standards, and the unit and

common areas are located on accessible routes.

(h) **Credit for Early Performance**. The Parties agree that any units made accessible pursuant to the terms of the CSA between April 12, 2016, and August 4, 2016, shall count towards the City's Target Number of Accessible Units.

(i) **Enhanced Accessibility Program for Individuals with Disabilities**.

The City shall establish an Enhanced Accessibility Program (EAP) that includes the following components:

- i. An outreach and public information component to identify individuals with disabilities who have housing-related accessibility needs and inform them about the benefits of and procedures for applying to the program, and to obtain more information from them about their specific needs;
- ii. The provision of auxiliary aids and services and enhanced accessibility features for individuals with hearing and vision disabilities who reside in existing Housing Developments;
- iii. A program to provide additional features and assistive technology in its competitively funded new construction and substantial rehabilitation projects to assure that people with disabilities have equal access to City-assisted Housing Developments; and
- iv. A program, at the City's option, to provide Housing Units with Hearing/Vision Features in existing housing units that are not feasible to retrofit to include Housing Units with Mobility Features. These Housing Units shall, at a minimum, meet UFAS standards for Housing Units with Hearing/Vision features. The City may count no more than 200 such units during the Settlement Term toward the Target Number of Accessible Units.

This subsection of the Amended Agreement incorporates selected

provisions of Section F, paragraphs 27 through 30, of the VCA, as authorized by the Order Re Further Proceedings, ECF No. 663 at 3, and as set forth in more detail in Exhibit G to this Amended Agreement, incorporated herein by reference.

(j) **Ensuring Program Accessibility**. The City shall adopt policies, procedures, and training to ensure that its affordable housing program complies with the program accessibility requirements of Section 504, the ADA, and Section 11135 and promotes maximum utilization of accessible units by people with disabilities needing the accessibility features, including provisions regarding Reasonable Accommodations, Reasonable Modifications, Effective Communication, Auxiliary Aids and Services, and Assistance Animals.

i. No later than January 1, 2024 and in consultation with the Plaintiffs, the City will complete a self-evaluation, pursuant to Section 504 and the ADA, of the LAHD and the Department of Building and Safety, and develop a transition plan to address accessibility deficiencies identified in the self-evaluation. The current Self-Evaluation Implementation Plan is Exhibit E to the MCE Plan, which is Exhibit E to this Amended Agreement, as annually revised by the Parties with the consent of the Monitor.

ii. In consultation with the Plaintiffs, LAHD has revised and adopted its effective communication policy to ensure that it complies with the requirements of Section 504, the ADA, and Section 11135. The Effective Communication Policy is attached and incorporated herein as Exhibit F. The City shall notify the Parties and the Monitor of any changes to this Exhibit.

(k) **Management Policies to Ensure Accessibility**. To ensure maximum

utilization of accessible units by people with disabilities needing the accessibility features, the City shall require all owners and managers of City-assisted housing to adopt the revised uniform marketing and leasing policies that are attached hereto as Revised Exhibits C-1 and C-2, and incorporated by reference into this Amended Agreement. These policies may be further revised and updated with the consent of the Parties and the Monitor. These policies are the product of collaboration between the City and Plaintiffs, and the Parties are of the opinion that they comply with Section 504, the ADA, and Section 11135. These policies provide for affirmative marketing directed at people with disabilities, uniform application, waiting list, and tenant selection practices (including unit assignment and transfer standards), effective communication with people with disabilities, assistance and support animals, the provision of reasonable modifications and reasonable accommodations, and grievance procedures. The City shall enforce those policies: (1) with respect to newly constructed or substantially altered buildings, from the time of construction or alteration through the end of the Settlement Term, and (2) with respect to existing buildings, from the date the uniform marketing and leasing policies are implemented through the end of the Settlement Term. Thereafter, while the City may exercise continuing authority to impose such policies on buildings with remaining affordability covenants, the City's obligation to enforce such policies cannot be compelled through this Amended Agreement.

**(l) Ensuring Compliance with Management Policies.**

- i. The City shall monitor its Subrecipients and Owners and require that its Subrecipients and Owners comply with the applicable requirements of Section 504 and applicable HUD regulations, the

1 ADA and applicable HUD regulations, California Accessibility  
2 Standards, and this Amended Agreement in designing,  
3 constructing, altering, operating, administering, and financing  
4 housing. Failure or refusal of a Subrecipient or Owner to comply  
5 with the Accessibility Standards and applicable provisions of this  
6 Amended Agreement may result in progressive steps by the City to  
7 compel compliance such as declaring an event of default under  
8 active loan agreements, suing for breach of loan or covenant  
9 agreements with demand for specific performance and damages,  
10 negative evaluations and reduction in rating factor points for future  
11 project consideration through existing contractor evaluation and  
12 contractor responsibility ordinances, or debarment proceedings or  
13 the filing of a complaint or referral to HUD for further  
14 enforcement actions.

- 15 ii. The City shall, in consultation with Plaintiffs, develop and carry  
16 out a monitoring, compliance, and enforcement plan (“MCE Plan”)  
17 to ensure that Owners and Property Management Agents of  
18 Covered Housing Developments comply with management  
19 policies to ensure accessibility. The MCE Plan shall include the  
20 following components: Monitoring and Compliance (Owner  
21 Notifications, Affordable and Accessible Housing Registry, Fair  
22 Housing and Policy Compliance Training, Adoption of Policies by  
23 Owners and Property Management Agents, Property Management  
24 Plans, Covered Properties lists, Unit Utilization Survey, Electronic  
25 Database, Grievance and Complaint Systems, Noncompliance) and  
26 Enforcement. Exhibit B of the MCE Plan shall include annual  
27 MCE Plan Goals. The MCE Plan will include a Unit Utilization  
28 Plan based on unit utilization surveys and audits of occupancy,

1 waiting lists, and transfer lists to assess the extent to which people  
2 with disabilities occupy accessible units or need or have requested  
3 accessible units; and that describes the steps the City will take to  
4 maximize appropriate utilization. It will also require Owners and  
5 Project Management Agents to adopt corrective action plans to  
6 maximize the occupancy of accessible units by families that need  
7 accessibility features and to correct other policy violations.

8 A. Occupancy utilization surveys and audits shall identify, by  
9 unit number, bedroom size, and accessibility type: a)  
10 accessible units that are not occupied by a Person with a  
11 Disability needing the accessibility features, and whether  
12 those households have executed the required lease  
13 addendum, and b) vacant accessible units.

14 B. Transfer audits shall identify, by address, name, and desired  
15 unit type and bedroom size, and requested accessibility  
16 features, existing residents of Covered Housing  
17 Developments to determine if any Persons with a Disability  
18 desire or have previously requested a unit with accessibility  
19 features, if they are on a transfer list for such a unit, and  
20 what steps are being taken to meet their accessibility needs.

21 C. Waiting list audits shall examine waiting lists for Covered  
22 Housing Developments and, subject to a protective order to  
23 be negotiated by the parties or secured through an  
24 appropriate petition to the Court, identify by name and

- 4 i. The City shall, with input from the Plaintiffs and approval by the  
5 Monitor as to content, features, usability, and accessibility, further  
6 develop, upgrade and maintain its accessible website listing all  
7 Housing Units in Covered Housing Developments, (including, but  
8 not limited to, Accessible Units or units meeting the Accessibility  
9 Standards), with real-time availability of accessible units, a  
10 mechanism such as a standard indication of interest or a pre-  
11 application by which people with disabilities can apply to be  
12 placed on Accessible Housing Wait Lists or entered in lotteries for  
13 available accessible units at multiple Housing Developments, the  
14 ability to apply for units online, lists of accessible features in  
15 Accessible and other units, numbers of bedrooms, eligibility  
16 requirements or restrictions, rent information, and contact  
17 information for each housing development. The Registry shall  
18 operate in a manner consistent with the Monitor’s decision entitled  
19 “Decision: Internet Registry Design,” dated April 15, 2020,  
20 Monitor’s Supplemental Report, ECF No. 679 at 10-12 and  
21 Appendix B thereto at 24-28. The City shall set annual goals for

23 goals are set out in Exhibit B to the MCE Plan, attached hereto as  
24 Exhibit E, as annually revised by the Parties with the consent of  
25 the Monitor.
- 26 ii. The website shall meet version 2.1 Level AA of the “Web Content  
27 Accessibility Guidelines” published by the Web Accessibility  
28 Initiative (WAI) of the World Wide Web Consortium (W3C), or

1 any subsequent version(s) that are published during the Settlement  
2 Term. All documents posted on the Registry should conform to the  
3 W3C's Guidance on Applying WCAG 2.0 to Non-Web  
4 Information and Communications Technologies (WCAG2ICT) and  
5 be in formats that can be recognized and read by software  
6 commonly used by individuals who are blind or have low vision to  
7 read digital information.

8 iii. The City shall maintain the Registry for the entire Settlement  
9 Term, and information shall be kept current. The City shall, in  
10 consultation with Plaintiffs, develop a mechanism for providing  
11 information and options equivalent to those on the Registry for  
12 Persons with Disabilities who do not have internet access or whose  
13 disabilities limit their ability to communicate electronically,  
14 including making information available in map format, written  
15 format and alternative formats through the Settlement Coordinator  
16 or designee.

17 iv. The purposes of the Registry include: 1) allowing Persons with  
18 Disabilities, including people who are homeless and/or those who  
19 lack a current address or an email address; to obtain detailed  
20 current information about accessible Housing Units and Housing  
21 Developments; 2) allowing People with Disabilities to use the  
22 Registry to (a) sign up to be notified about accessible housing units  
23 that are available for rent, (b) to make application for such units as  
24 they become available, and (c) to submit information such as a  
25 standard indication of interest or a pre-application to be placed on  
26 Accessible Housing Wait Lists or entered in lotteries at multiple  
27 Housing Developments; 3) ensuring that accessible Housing Units  
28 are occupied by people who need the accessible features; and 4)

1 assisting Owners and Property Management Agents in conducting  
2 targeted outreach to People with Disabilities. The City will require  
3 Owners and Property Management Agents in Covered Housing  
4 Developments to post information about the Developments on the  
5 Registry and to use the applicant information provided through the  
6 Registry in conducting outreach and leasing accessible housing.  
7 The City shall also post, update, and maintain in an easily locatable  
8 place and accessible format (*i.e.*, HTML or Word – not PDF) on its  
9 main website a list of all Covered Housing Developments, which  
10 shall be maintained throughout the Term of the Amended  
11 Agreement and updated on a quarterly basis, as needed.

12 v. The Monitor is authorized to retain one or more experts to  
13 periodically review the accessibility and usability of the Registry  
14 and other public facing websites and provide training for City  
15 personnel and contractors charged with the creation, modification  
16 or maintenance of the Registry and the training of such persons.

17 **(n) Coordination of Registry and Coordinated Entry System.** LAHD

18 shall coordinate with the Los Angeles Homeless Services Authority  
19 (LAHSA) to ensure, at a minimum, that that properties using  
20 LAHSA's Coordinated Entry System (CES) comply with the  
21 provisions of this Amended Agreement with respect to Accessibility  
22 Standards and Program Access and that LAHSA is appropriately  
23 identifying accessible CES units and assessing and prioritizing  
24 homeless individuals with mobility and sensory disabilities for  
25 eligibility for accessible CES units, including through use of the  
26 Registry. For all units that do not use CES, the City shall ensure that  
27 the affirmative marketing plans, which are part of the property  
28 management plans, comply with this Amended Agreement and that

1 the units are leased according to those plans. The City shall also  
2 develop a plan to address the tenanting requirements for Covered  
3 Developments that operate similarly to CES by requiring units to be  
4 filled by referrals from a particular source other than the Registry. The  
5 plan shall ensure that Accessible Units in those Housing  
6 Developments are filled with tenants who need those accessible  
7 features, and that those Housing Developments continue to comply  
8 with the Amended Agreement. The City shall meet with the Plaintiffs  
9 and Monitor at least quarterly to discuss implementation.

10 The City shall set annual goals for coordination with LAHSA/CES  
11 and similar systems. The current LAHSA/CES annual goals are set  
12 out the Annual Goals which are Exhibit B to the MCE Plan, attached  
13 as Exhibit E hereto, as annually revised by the Parties with the  
14 consent of the Monitor.

16 curriculum to train City housing staff and owners and property  
17 managers of Covered Housing Developments about disability rights  
18 obligations in assisted housing under Section 504, the ADA, and the  
19 Fair Housing Act. The curriculum will also address implementation of  
20 the terms of the Amended Agreement. Trainings will be provided on a  
21 regular basis to new City staff and new property managers of assisted  
22 housing and current staff and employees will be required to attend  
23 refresher classes. The Parties agree that Plaintiffs shall be consulted in  
24 the development of the training curriculum and materials within a  
25 reasonable time prior to any such training, and shall be invited to  
26 attend such training, either as participants or as presenters. The  
27 Annual Training Curriculum and Schedule is set out the MCE Plan,  
28 Exhibit B (Annual Goals), Attachment C, as annually revised by the

1 parties with the consent of the Monitor.

2 (p) **Provision of Funding and Staffing**. The City shall provide an  
3 average of \$20 million per year during the Settlement Term, which it  
4 estimates as the funding required to perform its obligations under the  
5 Amended Agreement in accordance with the timeframes set out  
6 therein. The Court ordered the Parties and the Monitor to consider  
7 “the development of a needs assessment and staffing plan necessary to  
8 implement” the Amended CSA. *See* Order Re: Further Proceedings,  
9 ECF No. 663, at 2. On an annual basis by September 30th the City  
10 shall submit to the Parties and Monitor an assessment of staffing and  
11 resource needs to meet the needs for the coming year and the  
12 remainder of the Settlement Term. Should the outcome of that  
13 evaluation demonstrate a need for further allocations, LAHD shall  
14 seek to have additional staffing and related resources allocated to  
15 AcHP to ensure compliance with the City’s obligations under this  
16 Agreement.

17 (q) **Flexibility in Use of Funding**. The City shall have discretion to use

17 prevailing party, as determined by the District Court on that motion,  
18 shall be entitled to seek the costs associated with that motion, to be  
19 awarded at the Court's discretion.

20 (c) If the actual fees, costs, and expenses for monitoring work performed

25 be reduced by 30%.

26 (d) For good cause shown, based on adequate staffing and compliance  
27 with deadlines, the Court may reduce the amount of monitoring fees  
28 prescribed to ILCSC and CALIF by Paragraph VIII.2(b), above, but in

no case shall such fees be reduced below the amounts specified in Paragraphs III.2(b) to FHCSFV.

**IX. COURT'S RETENTION OF JURISDICTION**

The Parties agree, and the Parties intend that, the Judgment will provide that the District Court shall retain continuing jurisdiction to interpret and enforce the terms of this Amended Agreement during the Settlement Term, and that the Judgment will incorporate the terms of this Amended Agreement by reference. The Court thereafter shall retain jurisdiction to resolve any disputes that may arise during the Settlement Term. Only the Parties may seek to enforce the terms of the Amended Agreement through the dispute resolution process provided for in Section VII, above. Three (3) months before the end of the Settlement Term, the City shall prepare a final report to the Monitor and Plaintiffs showing that it has fully complied with the provisions of this Amended Agreement, and may move the Court for an Order terminating its jurisdiction of this matter as of a date following the Settlement Term, on the basis that all of its obligations under the Amended Agreement have been fully discharged.

**X. MISCELLANEOUS**

**1. Entire Agreement; Severability.** This Amended Agreement constitutes the entire agreement between the City and Plaintiffs and supersedes all prior agreements, written or oral. Each provision and term of this Amended Agreement shall be interpreted in such manner as to be valid and enforceable. (d) Except as otherwise provided in Paragraph VIII.5(b) above, any Party may file a written motion with the District Court for the purpose of modifying a term or provision of the Amended Agreement. Before filing a motion with the District Court, the moving Party must discuss the reasons for the proposed modification with all Parties for the purpose of determining whether there is agreement on the need for the modification, and thereafter submit the matter to the Monitor for a recommendation.

**3. Claims Against CRA/LA.** Nothing in this Amended Agreement releases the Defendant CRA/LA, A Designated Local Authority, Successor to Community Redevelopment Agency of the City of Los Angeles (“CRA/LA”), from any claims that Plaintiffs have asserted against it in the Litigation or from any claims that the City may have against the CRA/LA.

27 programs in compliance with that Agreement.

28 (b) The Court's Order Re Further Proceedings, ECF 663, dated

December 19, 2019, ordered the Parties and the Monitor to propose provisions for sanctions for noncompliance with the CSA deadlines, which they submitted on January 28, 2020. *See* Status Conference Statement at 3, ECF No. 671.
