

HOPWA RESIDENTIAL EMERGENCY SHELTER PROGRAM
500 SOUTH SAN PEDRO STREET, LOS ANGELES CALIFORNIA 90013

PROGRAM REQUIREMENTS

- A. As a HOPWA – funded housing provider, we are required to have physical documentation of the following before we can provide a bed to a potential client: Client will be housed at The Russ hotel emergency shelter for the duration of 60 days, and provided with 3 meals a day. One single room occupancy/sharing bathroom
- Proof of HIV diagnosis (HIV diagnosis form from medical provider)
 - Proof of negative TB results (within the last year)
 - Valid Photo ID.
 - Covid-19 Vaccination card, Negative Covid-19 test (as needed by the shelter.)
 - Proof of income.
 - **Referral Letter from Housing Specialist/CM/Social worker:** Letter must state that the client has a history of mental illness and/or substance abuse, homeless or on the verge of homelessness. If the client does have a mental illness (e.g. bi-polar, schizophrenic, schizoaffective disorder, or NOS), and on medications; we will need confirmation from medical provider. Client's Housing Specialist will continue assisting client during his time in the program on a regular basis.
- B. Please contact us for more information in regards to enrolling your client into the crisis bed:
